

## 2010 CONFERENCE CENTER SCHEDULE

### HEALTH & SAFETY COMPLIANCE

#### HAZWOPER Annual Refresher <sup>1 3 4 5</sup>

February 4, 2010 – Middletown, CT  
 March 25, 2010 / December 16, 2010 – Westfield, MA  
 October 14, 2010 – Worcester Area TBD  
 Cost: \$250 / Time: 8:00am – 5:00pm

Health & safety review for currently certified 24/40 hour HAZWOPER site workers in accordance with OSHA regulation 29 CFR 1910.120.

#### HAZWOPER Responder <sup>1 2 4 5</sup>

May 27, 2010 – Westfield, MA  
 Cost: \$250 / Time: 8:00am – 5:00pm

Provides emergency responder training (First Responder – Operations Level) or annual refresher for facility spill response personnel.

#### Hazardous Materials Awareness <sup>1 2 4</sup>

May 6, 2010 – Westfield, MA  
 Cost: \$175 / Time: 8:00am – Noon

Management of Asbestos, Lead, Mold, PCBs, and other hazardous building materials including background information, health effects, applicable regulatory requirements, and sampling techniques.

#### ■ OSHA Compliance Strategies <sup>1 2 3 4 5</sup>

September 16, 2010 – Westfield, MA  
 Cost: \$250 / Time: 8:00am – 5:00pm

Strategies for minimizing liability, reducing injury and illness, and maintaining compliance with major OSHA programs.

#### ■ OSHA Toxic and Hazardous Substances <sup>1 2 3 4 5</sup>

September 23, 2010 – Westfield, MA  
 Cost: \$175 / Time: 8:00am – Noon

Detailed information on OSHA's hazardous chemical standards including Hazard Communication, toxic air contaminants, combustible dust, and flammable materials.

■ Combined for OSHA approved 10 hour General Industry Outreach Training (must take both courses)

### ENVIRONMENTAL COMPLIANCE

#### Hazardous Waste Management <sup>1 3 4 5</sup>

October 21, 2010 – Westfield, MA  
 Cost: \$250 / Time: 8:00am – 5:00pm

Annual RCRA training course for hazardous waste generators. This class is targeted toward personnel that manage hazardous waste compliance at their facility.

#### DOT HAZMAT <sup>1 2 3 4 5</sup>

September 9, 2010 – Westfield, MA  
 Cost: \$250 / Time: 8:00am – 5:00pm

Department of Transportation Hazardous Material shipping requirements.

### WATER / WASTEWATER TREATMENT OPERATORS

#### Industrial Wastewater Treatment <sup>1 3 5 6</sup>

December 9, 2010 – Westfield, MA  
 Cost: \$250 / Time: 8:00am – 5:00pm

Treatment system technology, operations, etc. for industry.

#### Treatment Plant Equipment <sup>1 2 4 6</sup>

December 2, 2010 – Westfield, MA  
 Cost: \$175 / Time: 8:00am – Noon

An overview of typical equipment used in municipal and industrial wastewater applications.

#### Treatment Plant Instrumentation <sup>1 2 4 6</sup>

November 18, 2010 – Westfield, MA  
 Cost: \$175 / Time: 8:00am – Noon

Description and demonstration of wastewater treatment controls and monitoring.

#### Chemistry for Water and Wastewater Treatment Plant Operators <sup>1 2 4 6</sup>

October 28, 2010 – Westfield, MA  
 Cost: \$175 / Time: 8:00am – Noon

Will include pH discussion (including hands-on demonstration); periodic table, elements, and ions in water; precipitation; water and wastewater treatment (including hands-on demonstration); and disinfection.

#### Training Contact Hours (TCH).

<sup>1</sup> MA Wastewater Treatment Plant Operators  
<sup>2</sup> MA Water Treatment Operators

<sup>3</sup> Association for Facilities Engineering  
<sup>4</sup> CT Dept. of Public Health, Drinking Water

<sup>5</sup> Board of Registered Sanitarians  
<sup>6</sup> CT Wastewater Treatment Plant Operators

**NOTE:** TCH's vary with each agency approval, check with registrar, Sarah Hoar at (413) 572-3249. For information regarding any of the above courses or custom on-site training available with TCH's, please contact Adam Lomartire(413) 572-3242.

**10% discount offered for 3 or more attendees signed up for the same class from same organization.**
